

## American Public Works Association South Carolina Chapter Student Scholarship Application

Public works includes a vast network of careers that preserve and sustain our communities' infrastructure. Public works employees keep our communities running smoothly so we have clean water, safe transportation, beautiful and well-maintained parks, collection and disposal of recycling and trash, and effective collection of wastewater and stormwater, resulting in resilient and sustainable communities.

The purpose of this scholarship is to assist students enrolled in a course of study related to the Public Works field in an undergraduate or graduate program at an accredited South Carolina private or public college or university. Funds may be used for student fees including, but not limited to, tuition and books. The number of \$1,000 scholarships awarded each year shall be determined by the South Carolina Chapter Scholarship Committee based on available funds. For a student to be considered in subsequent years, the applicant must reapply. Scholarship recipients are encouraged to attend the annual SC APWA Conference awards ceremony to receive the award. Please type or print all information on the application form below. If application requirements are not met, the application will be deemed incomplete and not considered eligible for the award.

### REQUIREMENTS:

The recipient of this scholarship must:

- Be enrolled in a public works related program at an accredited private or public college or university,
- Qualify as a SC in-state resident, and
- Submit an essay about why they are interested in public works and how their major relates to public works. Essay should be no longer than 1,000 words

### Personal Information:

Name: \_\_\_\_\_ email: \_\_\_\_\_

Mailing Address: \_\_\_\_\_ City: \_\_\_\_\_ Zip: \_\_\_\_\_
